ECDL Foundation
Approved Courseware

The ECDL Foundation awards ECDL or ICDL certification to those who have passed one theoretical test on basic Information Technology concepts and six practice-based tests using a personal computer and common computer applications. To prepare for these tests, an individual may take courses from MindLeaders, a certified ECDL and ICDL vendor. As a certified ECDL/ICDL vendor, MindLeaders courseware has been approved by the ECDL foundation and meets the criteria of version 3.0 and version 4.0 of the ECDL syllabus. Full certification requirements are located at the ECDL Foundation Web site at <http://www.ecdl.com>
